

BCS Middle School Project 2- due Friday 4/17/20

Project 2: This is more of a relaxing activity. Log onto this site: <http://weavesilk.com/>. Once you have logged on, use the mouse on the computer or your finger if you are on an ipad to create different patterns. This is a mindless game and exercise. Try this out and send me 3 pictures of different designs that you liked the most while doing this activity. Below are two of my examples
